It's a melancholy picture our artist draws, but for clothiers it is a melancholy fact that most men expect a frock coat to last them several years.

And it usually does, if made from first-class materials, of a black which won't turn "near-green," and of a cut conservative enough to be still in style next year.

Such are our frock coats, and at reasonable prices too.

Frock coats and waistcoats, \$26 to \$41.
Separate striped trousers, \$5 to \$12.

Silk hats—shining examples of the values a big business can give—\$6 and \$8.

Dress shirts, scarfs, walking sticks, patent leather shoes.
